Airbus A340 - Wikipedia

Mopar LA Series V8 Engines: 318, 340, 360, and 273. by David Zatz. The LA engines were durable designs with high power capacity, the Chrysler's mainstay V8 for decades — and its only V8 for many years, as well. The first "LA" engine, the 273, appeared in the 1964 cars; the basic design was used in the 2017 Viper V-10.

Amazon.com: 340 engine

The 340 V8 was designed from the point of view that a lighter weight engine with decent horsepower would amount to better performance as opposed to extremely large engines like the Dodge 440 and the Ford 462. Chrysler put quite a bit of effort into the making the 340 a respectable engine on the street as well as the race circuit.
