Nonetheless, Daihatsu are not infallible in that some of their cars will develop faults eventually. No manufacturer is immune to this happening, but as long as you have a service manual you do not need to worry unduly. Many of the faults which develop are far from being serious, and with a handy repair guide can even be corrected by the motorist.

Owners manual, 659cc Was there ever an English version of the 659cc manual? Our car didn't come with one (we bought second hand), and the local Toyota dealers say there is none available through them. Hopefully there will be enough info in the service manual and the relevant sections of the 1.3l manual...
