In the talent management universe, the new employee orientation and mainstreaming process are known as "employee onboarding." Keeping in mind that you never get a second chance to make a first impression, your business should make absolutely sure that new hires feel welcomed, valued, and prepared for what lies ahead during your new employee orientation or onboarding process.

A not always very easy to read, but practical copy & paste format has been chosen throughout this manual. In this format all commands are represented in code boxes, where the comments are given in blue color. To save space, often several commands are concatenated on one line and separated with a semicolon ';
