Engineering Surveying, Fifth Edition - PDF Free Download

I used to have a book by Banister and Raymond which was not bad, but this one here is an excellent book on surveying. A great trick in setting up a theodolite is included on page 199 and this alone was worth the price of the book.

Engineering Surveying, Fifth Edition - amazon.com

Book: Engineering Surveying 5th Edition by W. Schofield. Surveying may be defined as the science of determining the position, in three dimensions, of natural and man-made features on or beneath the surface of the Earth. These features may then be represented in analog form as a contoured map, plan or chart, or in digital form as a ...
