Before ...

Marine Longblock Engines Installation Guidelines & Warranty

Repowering a boat from a gasoline engine to diesel power needs extra consideration. Diesel engines of equivalent horsepower are usually physically larger than their gasoline counterparts. You may find, however, that the Atomic 4 in your boat has much more horsepower than the diesel you will replace it with.

I'm curious if anyone has any recommendations for a good diesel engine in the 20-30 HP range. Any thoughts or suggestions on possible engine/gear combinations will be greatly appreciated. This boat is driven with a simple straight shaft and should be a 7 or 8 knot boat. Thanks in advance for any suggestions!
