"A performance review is documentation and an interactive process with many facets," says Christopher J. Collins, Ph.D., Associate Professor and Director of the Center for Advanced HR Studies at the ILR School Cornell University. "They are a venue for employees to share and assess their own work experience, discuss goals, and obtain feedback on how well they are doing and how to improve.

### **Managers' Performance Review Cheat Sheet | Smartsheet**

The frequency of reviews can vary from firm to firm. "Although the most effective managers review the performance of their employees and provide feedback on a continual basis, the use of performance reviews helps ensure that review and feedback will occur at least once or twice per year on a formal basis and will be conducted consistently across managers," adds Pollack.
