my neighbor is trying to get a little power out of his cushman truckster and im wondering if i may be able to help him modify it to fit my old 1.3 engine. anyone on here ever mess with one of these things? im also wondering if i may be able to donate my old axles to the project.

**cushman truckster with a suzuki 1.3 engine swap?**

Although relatively simple, a Cushman Truckster repowering something like a 20HP Honda engine takes a certain understanding and planning. It is not as simple as a engine swap for another. It 'important to read the details of these guidelines and note of what is and is not just work as usual and what parts are needed beyond those listed in the kit.

Cushman Eagle with 883cc Harley Sportster engine. Every now and then one of these pops up for sale, a Cushman scooter with a Harley engine. This one is a 1960 Cushman Eagle with a 1970 Sportster 883 engine. We saw one about 5 years ago with a 1200cc swap, but I think the 883 will do just fine. There is a Yahoo Group site that is strictly dedicated to Cushman Trucks that has a ton of information if anyone is even thinking of an engine swap. Only thing is, that a Cushman in good shape with a good engine will usually sit you back a few dollars. I got \$1900 for mine and it was with only the 22hp OMC engine.

They do have a pretty bad record about throwing tracks. Usually the main culprit is worn torlastics. Mine are pretty rough now but I after I accomplish the engine swap the suspension and tracks are next on my list. I will try to get a couple of pics tonight and add them to the post. Thanks again Nick
