Transfer Options. Credits earned at Lone Star College transfer to any public college or university in the state. Start smart with 2+2 (2 years at LSC and 2 years at the University of your choice) and get the first two years of your Bachelor's degree without the high-cost.

Electrical Engineering Associate of Science (AS)

This is a fast-paced introductory course to the C++ programming language. It is intended for those with little programming background, though prior programming experience will make it easier, and those with previous experience will still learn C++-specific constructs and concepts. This course is offered during the Independent Activities Period (IAP), which is a special 4-week term at MIT that ...
