Delkron Manufacturing D5030 FXR INNER PRIMARY DELKRON

engine building - At Delkron we put forth every effort to ensure accuracy and cleanliness, don't let it be compromised by an oversight. Many good parts have been destroyed by a mistake as simple as running an oil line to the wrong fitting or forgetting to flush the oil.

Delkron Shovelhead : Owner's manual - manualshelf.com

there is no "delkron case, Sputhe heads, pumps oil out the breather" curse. I have personal experience with this configuration and it never is or was an issue with the engine. if you are losing oil level, your oil pump is broken. if you are not losing oil level, it was overfilled to start.
