BMW E34 5 series, Tuning, repairs, troubleshooting. If your automatic transmission gave up, or you want to install a turbo in your car or just like the extra power, whatever the reason you might one day want to install a 5 speed transmission into your car.

**5 speed transmission swap - BMW E34 5 series Website**

Hello all. This thread is for anyone contemplating an automatic to manual conversion, also called the auto->manual swap. There are many differences between body styles and submodels in those bodies, so I will try to keep this general until I get to those specific models. In any swap, there are a few major parts you will need: Pilot Bearing- get it new, and you must have it.

Hi my fellow NZers! I am wishing to convert my auto E34 525i with the M50B25TU (Vanos) into a manual. I am finding it difficult (not suprisingly) to find the getrag 250 + conversion kit that came standard on the late model 525is with the M50 engine. The earlier models with the M20 engine

have the...

I'm not a "newbie" here but more of a "searcher"...I just thought I'd share (FYI) that I've read virtually every thread in the archives regarding the 5 speed automatic to 6 speed manual transmission swap. I've just completed mine and I'd like to share what I've learned. There is some conflicting information to be found (here and elsewhere)and frankly a lot of questions left unanswered.

Hi everyone. I have purchased everything I need to do a manual conversion of mw 86 e24. I have bought a 1990 e34 manual gearbox to do the job knowing that the box would bolt straight up. However, to my horror I have discovered that my E24 has two sensors, engine speed and reference sensors located on my auto trans bellhousing.
