An easy way to help your child craft a heartfelt apology is to make sure she's considered the 4 As. Though it's not always necessary for a child to make concrete amends, such as replacing a broken toy, it is important for her to acknowledge what she has said or done, accept responsibility for her actions and provide an alternative response for the next time.

The Art of Apology | Education.com

It was over twelve years ago that I was in Mr. Revington's grade five class, yet it is one of the most memorable years of my education. I was given the opportunity to learn from a unique perspective and approach, referred to as authentic learning. I knew at the time I was lucky to be in his class, all my peers were hoping to be.
