Is there is way to manually raise top on vw beetle convertible.... I'll just post his response: There are two manual cables that need to be pulled on each side to unlock the locks, you then find the pump and open the manual valve, located on the rear truck closer to the left tail light. This should allow you to close the top manually, takes two people to close to prevent any damage to the frame.

Is there is way to manually raise top on vw beetle convertible

The electric controls for lowering and raising the convertible top no longer works. I had the rear windshield blown out by a recent hail storm and I was wondering if anyone here knows how to lower the top manually, so I can put my hard top back on . . .
