To improve instruction in computer engineering and computer science, instructors must better understand how their students learn. Unfortunately, little is known about how students learn the fundamental concepts in computing. To investigate student conceptions and misconceptions about digital logic concepts, the authors conducted a qualitative interview-based study.

Cons. Company is a sinking ship. I give it 10 more months. It was great at one point with so much potential. However, with Wilton coming in and moving all the management to their headquarters in Chicago, cutting the staff in half and huge budget cuts with the money going into the pockets of the big wigs; I see a dead end.
