Engineering Career Advice - 5 Tips for Acing Your Annual ...

Sure, performance reviews are a time to get feedback on your work throughout the year. But sometimes we forget that it's also a time to share your own goals (and even suggestions!) for the future with your boss. After all, you're part of a team, and talking about what's working, what's not, and what would make you a better professional can only help your boss be a stronger leader.
