SOLVED: Daewoo tacuma engine management light - Fixya

I have a 1999 Daewoo Matiz since May 2005, had clutch problems at first, but has been absolutely fine since. Then 6 weeks ago engine light came on car cutting out, needed new distributor, and also new immobilizer, has been fine since. But last few days engine light started coming again, now I'm told it's the engine speed sensor.
