Development Services provides the following services: Enforces the building codes adopted by the City through permits and inspections; Provides support and enforcement of the City's codes in cooperation with Planning and Zoning and Economic & Community Development

City of Live Oak - Development Services

A fire extinguisher is an active fire protection device used to extinguish or control small fires, often in emergency situations. It is not intended for use on an out-of-control fire, such as one which has reached the ceiling, endangers the user (i.e., no escape route, smoke, explosion hazard, etc.), or otherwise requires the expertise of a fire brigade.
