Is it possible to create 'templates' for standard page setups within EXCEL? Say like a calculation sheet in a background with company logo, title block, perimeter border, and maybe 5mm square grids in a letter (or A4) page size such that you print your EXCEL workbooks to this setup page template.

EXCEL templates for page setups - -Engineering ...

Does anyone know of a PDF template for engineering computation paper, something similar to this? I'm having trouble finding reasonably priced pads in the UK, and although my University provides a PDF template its not very good. Seeing as I will have to print it off anyway I was hoping that someone here would know where to find a better one.

Engineering Computation Paper Template? - reddit
