My old garage door opener on one of my two garages recently bit the dust, so I did some research and replaced it with the Craftsman 3/4 HP Garage Door Opener. Did the installation myself. Took the better part of a day. I was actually able to use the drive rail mounting brackets and main unit mounting brackets from my old opener.

I have a Craftsman 3/4 hp garage door opener. The garage door will open with the remote control from the outside. However, it will not close. In order to close the door I have to get the car out, go into the garage and close the door with the wall switch, go back into the house, go out of the house and around it to get to the car! I have tried ...
