The BMW M3 is a high-performance version of the 3 Series, developed by BMW's in-house motorsport division, BMW M GmbH. M3 models have been derived from the corresponding generations of the BMW 3 Series. The initial model was available in a coupé body style. At times the M3 has also been available in saloon and convertible body styles. Due to the coupé and convertible models no longer being ...

Shift time refers to the time interval between gear changes in a transmission. This interval is the time in which power delivery is interrupted and engine speed is reduced or increased to synchronize speed for the next selected gear. Shift time is usually in reference to motor vehicles but can apply to any gearbox. Reducing shift time is important in performance vehicles or race cars because the ...
