Coinciding with the release of patch 0.9.17.1, a brand-new version of the German Dunkelgelb color pack has been released! This brings a much-needed refresh to the existing color and icons (at least, in my opinion), as well as adding the color to the vehicles which were previously excluded from the pack, this patch's set of new/updated HD models, and the new German heavy tanks.

Skylab was the first United States space station launched and operated by NASA, and occupied for about 24 weeks between May 1973 and February 1974 - the only space station the U.S. has operated exclusively. In 1979 it fell back to Earth amid huge worldwide media attention. Skylab included a workshop, a solar observatory, and other systems necessary for crew survival and scientific experiments.
