- [Instructor] Any time you want to cancel the last action, or even multiple actions you took when using Excel, you can use a feature called Undo, and it's also got a companion called Redo. And it can be a real lifesaver at times. On this worksheet, called Undo Redo, in our 02 Entering Data file, I wanna get rid of the word Sales here. Now, maybe I don't know that I don't really have to do ...

Using Undo and Redo - lynda.com

Start this section by doing the investigations first and allowing the learners to draw their own conclusions. This will lead them to a better understanding of what energy is and what it can do rather than a verbal explanation.

He was an emotionally damaged kid... and he dreamed of getting killed in the military, so he could die a hero. He almost did when the landmine crippled him, but Joel defied the odds. They said he'd never walk again, but the same determination he used to survive in the wild -- even in the bleakest conditions -- gave him the will and strength to walk again.
