Except for true sports cars like a Miata, an automatic has higher resale value. With many models, you cannot sell a manual transmission model for love or money, especially cars not seen as "sporty".. Resale value of the manual model will be lower than by about twice the cost of the automatic transmission.

Trade-in value of automatic vs stick? | Yahoo Answers

Fans of automatics tend to say that, once you've tried one, you'll never go back to a manual. But if you're bitten by the bug, you'll have to get used to the fact that automatics burn through more fuel because they do the work your left-side limbs do in a manual.
