What Leaders Can Do. School leaders know that most academic learning in middle and high schools takes place within classrooms. Leaders who are aware of the options teachers have to promote student motivation and engagement with literacy tasks can ensure that these options are in place in every classroom.

Despite our best intentions, we've created a system of special education based on deficits. To fashion an environment in which students with special needs can achieve their fullest potential, we need to dig deep into the roots of special education and, at the bedrock level, replace its disability paradigm with a belief system based on diversity. ...
