Essay On Engineer For Kids

How public education cripples our kids, and why. I taught for thirty years in some of the worst schools in Manhattan, and in some of the best, and during that time I became an expert in boredom. Boredom was everywhere in my world, and if you asked the kids, as I often did, why they felt so bored, they always gave the same answers: They said the work was stupid, that it made no sense, that they ...
