Lycoming engine overhaul prices, cost of overhaul parts ...

At some point in every airplane's life an engine overhaul has to be performed. To many owners it's an expensive and black-box-like process; some people avoid it altogether by buying an engine with low times and then selling when it nears TBO. I was lucky enough to have a conversation with Charlie Melot of Zephyr Aircraft Engines.

The Real Cost of Aircraft Ownership: Engine Overhauls

Now let's look at what it costs to operate your new aircraft. As can be seen from above, purchasing an airplane can be less than the cost of purchasing a used auto or boat.
