If you just bought a new Whirlpool oven and you want to check the features and options, you can download the Whirlpool oven manual under this link.

### Whirlpool Oven Manual - Download Free Manuals

If the DVR is connected to your router on your home network via an Ethernet connection it should be discoverable. I'm not an expert on these matters but the IP address will or should be the same as the IP address of your PC but the last part of the address will be different ie your PC would be xxx.xxx.xxx.001 and the DVR would be xxx.xxx.xxx.057 for instance.
