I've got a small problem with a EWF1080 Front loader Washing machine, it times out on the first fill of water, gives a E10 code, and requires a reset button operation to get it to continue filling water and then it's alright. I've checked water pressure and had a general look under the bonnet, it's either a board fault that has changed a timing thing or a level sensor problem, either way it's still ...
