Here at Engine Room CrossFit, we take the protection of our members' and prospective members' personal data very seriously. Where we collect personal data, we try to limit what we collect to that which is necessary for our business.

Engine Room CrossFit | P&DP

DP: The main cost for a DP system is the separate engine room, which is a regulatory requirement. The separate engine room is needed to power the thrusters and to provide backup in order to maintain position in the case of a fire or a flood, but this is more of a cost to the total rig construction than to the system.
