Background. The Class 57 is a re-engineered locomotive, rebuilt by Brush Traction, Loughborough from redundant Class 47 locomotives. The locomotives are fitted with a refurbished EMD engine and a re-conditioned alternator, improving reliability and performance. Three variants exist, one for freight and two for passenger operations.

High Charity, often referred to as the holy city, was the Covenant's mobile capital city and center of government; effectively, the collective's united homeworld. It was a massive space station, home to billions of individuals from each of the Covenant's member species. As it was the Covenant's major religious center and capital, High Charity was enormously sacred to the Covenant.
