I think whoever had it previously and brought it back to Best Buy had attempted to program the remote for his/her equipment as there were codes handwritten on the front of the user manual. As a result, when my friend tries to use the remote to control just the DMR-EZ28K , he gets a "RC1" message on the units display and nothing else happens.

My DMR-EZ28K recently died!! I have owned it for about 11 weeks and was not using it very frequently for anything besides the tuner and occasionally watching movies or recording a show. During the 11 week period, I used the tuner for several hours daily, used the DVD player about once every other day and used the DVD recorder about once a week.
