Engine Data Link Of Volvo Fh12 Truck

Newer Volvo Penta engine* EVC Systems - with an available multi-link hub. If a Volvo Penta engine* IPS or Aquamatic steering system is fitted, then connecting an EV-2 as shown in the diagram below will give full autopilot steering control. For engine data only, the connection between ECI-100 and Volvo Penta engine* EVC system is identical (as shown in the diagram below) but fitting the Raymarine EV-2 is not required.

record your engine data to apply for service remotely; engine network setup and troubleshooting. Picture 2. Raymarine c125 MFD with Volvo Penta D4-260A-B data. Data you may get on the chart plotter depends on the engine controller and the number of installed sensors. Legacy chart plotters may not support display of all data types.

Engine Gateway for Volvo Penta and J1939 engines

9 Answers. had this happen on several volvos I had, each time the instrument cluster had to be replaced, but I would start with engine cleaning, checking wires for shorts and get dielectric grease at napa (\$5) and put it in all the connections and keep it in your truck, its good to have. On a 2003 truck things have been rubbing for 10 years you will...

Datalink Issue. As a sidenote, it is active and one of its symptoms is when you turn the key off, it takes about 10 seconds for the engine to actually shut down. Also all of the ECMs on the tractor (ABS, Engine ECU, trans ECU and vehicle ECU) are responding to commands from the laptop and the onboard diagnostics. Any help will be appreciated. Thanks.
