SOLUBILITY-Solubility: The maximum amount of solute that dissolves in a given amount of solvent at a constant temperature. -Solubility is usually expressed in grams of solute per 100 grams of solvent at a specified temperature.

Solubility - Physical Science For Dummies

When a neuron is inactive, just waiting for a nerve impulse to come along, the neuron is polarized — that is, the cytoplasm inside the cell has a negative electrical charge, and the fluid outside the cell has a positive charge. This separation of charge sets up conditions for the neuron to respond, just like [...]

Action Potential of Neurons - dummies

The Black Powder categories in Cowboy Action Shooting have been exploding of late, partly due to the fact that SASS discovered spectators like it, and it plays well on TV, and partly due to the advent of Black Powder Substitutes, powders that load like BP (volume for volume) and smoke like BP (Some smoke more), but don't smell like sulfur and clean up easily, load easier, and don't face the ...

Black Powder (& Substitutes) for Dummies

We are working on a post about our lab on radio waves that will be ready soon. In the meantime, I wanted to make a note of a website I found when looking for an explanation of Maxwell's Equations (mentioned in the "Joy of Science" lecture on electromagnetic radiation) that we could understand without the math.

Integrated Science at Home: Maxwell's Equations for Dummies

How Is Solar Energy Used in Your Home? (and how do you get paid for it?) When buying solar power systems, it is super important to understand how your solar energy is used in your home. i.e how much electricity you currently use and at what times throughout the day you use it.

How Is Solar Energy Used In Your Home?

Hand Cut Dovetails for Dummies: Precision cuts and joinery is the mark of a skilled carpenter. Dovetail joints often have an aura of mystery about them. Dovetails can be tricky, but with a little practice you can have others envious of the decorative hand cut character that only...

Hand Cut Dovetails for Dummies: 10 Steps (with Pictures)

The Effect of Early Daylight Saving Time on California ...

1.. IntroductionThis paper investigates the long-run relationship and causality between electricity consumption and economic growth for the Organization of Petroleum Exporting Countries (OPEC) using the bounds test of Pesaran et al. (2001) and the non-causality test of Toda and Yamamoto (1995).These tests are useful in assessing the degree of dependence on electricity across OPEC members.

Electricity consumption and economic growth: Bounds and ...

-Mercury isotopes are mainly used in the study of the deposition and emission of Hg in both terrestrial and aquatic ecosystems. In one experiment in Canada three different Hg isotopes (Hg-198, Hg-200 and Hg-202) were used to find out how the route of entry of mercury to an ecosystem affects the amount that becomes accumulated in fish.
