Bob Woods' second design for Bell resulted in one of the most controversial fighters of World War II: the P-39. What could be described as America's first "modern" fighter originally took shape on the drawing board as an interceptor but was developed as a close support aircraft in response to the USAAC's requirement in 1937-38 when there seemed little likelihood that the U.S.Army Air Corps ...

v. c.1200, furen, figurative, "arouse, excite;" literal sense of "set fire to" is from late 14c., from fire (n.). The Old English verb fyrian "to supply with fire" apparently did not survive into Middle English.. The sense of "sack, dismiss" is first recorded 1885 in American English (earlier "throw (someone) out" of some place, 1871), probably from a play on the two meanings of discharge: "to ...
