A driver's license is an official document, often plastic and the size of a credit card, permitting a specific individual to operate one or more types of motorized vehicles, such as a motorcycle, car, truck, or bus on a public road.. In most international agreements the wording driving permit is used, for instance in the Vienna Convention on Road Traffic.

Mobile phone use while driving is common, but it is widely considered dangerous due to its potential for causing distracted driving and crashes. Due to the number of crashes that are related to conducting calls on a phone and texting while driving, some jurisdictions have made the use of calling on a phone while driving illegal. Many jurisdictions have enacted laws to ban handheld mobile phone ...
