Selecting the Appropriate Owner's Manual To get an owner's manual for your generator, first determine the model name. All Honda generators have a model name with a prefix that starts with "E" such as EB5000, EU1000i, or EG5000. The model name is usually on the case, fuel tank, or near the control panel.

Honda Generators - Owners Manuals

ELECTRONIC MUSCLE STIMULATION (EMS) EMS is the process of using very weak electrical impulses to contract and relax muscles. It produces "passive" exercise by sending electrical impulses or signals to the selected muscle or muscle groups to contract and relax them. In "active" exercise the signals are sent by the brain.
