Local guy has an Esab multimig 300i for sale. Won't gimme a range he'd like to get out of it. He says they sold for 3 grand ten yrs ago. Don't know what to offer. Haven't seen it in person yet, but would like to try tig. He says its air cooled torch. Anyone run one of these? Got any good or bad points I should know about? I wasn't "looking" just happened across the thing.
