Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.

University of Georgia

Often the front suspension is a McPherson strut application, where side loads of the wheel are directly transferred to the damper. The McPherson struts from JRZ are made from high tensile steel to be able to cope with these high side loads and JRZ applies a cutting edge technology for the black coating making the steel tubes highly corrosion resistant.
