Engine system fault appears on dash car goes into limp mode. Put new battery on still does the same after 5 minutes driving. (2009 Land Rover Range Rover Sport) on September 30, 2017.

Engine system fault appears on dash car goes into limp ...

Coming to work in the morning and suddenly the car displays ' engine system fault' and the car crawls into limp mode. I pull over then re-start and its fine for the rest of the journey. I took it into Independent, he plugged his machine in and he said it was the turbo actuator.
