Techmax Engineering Mechanics - bulanproject.com

TECHNICAL PUBLICATIONS is known for commitment to quality and innovation. We are Leaders in
our chosen scholarly and educational markets, serving the Book Industry & Academic Institutions.
We have been in the industry for the last 25 years and are known for quality scholarly publications

in Engineering, Pharmacy and Management books.

Technical Publications

realism will both stimulate the student's interest in engineering mechanics and provide a means for developing the skill to reduce any such problem from its physical description to a model or symbolic representation to which the principles of mechanics may be applied. Throughout the book, there is an approximate balance of problems using either
