The eurösec CP8L LCD control panel has successfully undergone a number of severe test routines by one of the leading trade magazines. These tests covered features, electronics, casing, value and reliability. As a result of these tests the eurösec CP8L was shown to be the basis of a sophisticated and flexible system.

Eurosec CP8L Control Panel | RISCO UK
I have recently moved into a new property which has an Eurosec CP8L alarm fitted. I undertand that the property had been empty for some time as it has been completely renovated. The user manual for the alarm was conveniently left nearby. A couple of days after moving I tried to use it. I noticed that the LCD displayed the message "Mains fault".
